MEMORANDUM

SUBJECT: Response to FOIA Request EPA-HQ-2019-004823

FROM: *Cynthia Simbanin*
Cynthia Simbanin, Deputy Directory
Facilities Management and Services Division

TO: Office of Administration

After a thorough internal review of records and artifacts that could pertain to FOIA Request EPA-HQ-2018-004823, the Facilities Management and Services Division (FMSD) in the Office of Mission Support has determined that no documentation or materials exist pertaining to emails, flyers, posters, posted notices, bulletins, or other documentation in connection to the waxing and stripping of the floors in the William Jefferson Clinton North lobby on April 11, 2015. Additionally, no security video surveillance footage from the "slip and fall" incident on the same date exists.
